--	-------------

Status: 10.10.2022

All expenses and ancillary costs incurred in connection with the business relationship (third-party expenses, brokerage, postage, taxes, etc.) which are not included in the aforementioned prices shall be invoiced separately. A reasonable fee may be charged for services rendered which is not included in this tableau. Fees for onboarding (Know Your Customer documentation) will be charged individually on a time and material basis, if applicable.

---

<sup>i</sup> The prices stated for account maintenance and payment transactions apply to private customers; for corporate customers it's "by agreement".

<sup>ii</sup> The deposit fee includes all operations of corporate actions as well as registrations for general meetings.

<sup>iii</sup> This condition applies to the acquisition of mutual funds. In case of the redemption of the mutual funds only third-party expenses and fees will be charged.

<sup>iv</sup> The stated interest rates represent the currently valid conditions and apply to all currencies presently held in the BTG Pactual Europe S.A.. These conditions may change due to developments on the capital market.
